

CASTLEMAINE STATE FESTIVAL

PATRONS AND DONORS PROGRAM

The Castlemaine State Festival is Victoria's premier regional arts festival and is one of the most anticipated events on the national arts calendar. This 10-day multi-arts celebration draws on the distinctive culture and dynamic community strengths of the central Victorian goldfields region — the old and the new, the artistic and the agricultural.

For Patrons and Donors we offer unique opportunities for you to have a deeper experience of the artistic riches of the festival; to enjoy more intimate connections with artists, organisers and fellow supporters.

By joining the Patrons and Donor Program, you can play a key role in realising the vision for the festival. Bringing such a major regional arts event to fruition takes two years of dedicated work. To plan effectively, we need to ensure that reliable and dependable funding sources are available – to this end the contributions of our Patrons and Donors are enormously important.

Patrons' and Donors' financial contributions are tax deductible. Your contributions can be tailored to best suit your needs.

- You choose the level of patronage or donation.
- You choose the method of payment.
- You nominate the art forms you prefer to support.

By becoming a Patron or Donor, you will be joining a very special group of people whose loyalty and commitment to the Castlemaine State Festival has helped shape this extraordinary event into the prestigious and treasured arts and cultural celebration that it has become.
